DENTAL SCHOOL FACILITIES AND SERVICES - ROSEMAN UNIVERSITY OF HEALTH SCIENCES

1. Building and Access Hours

The building will be open from 6:00 a.m. to 6:00 p.m. during the Western Regional Board Examination, unless otherwise requested by the examiners.

2. Parking

- a. Northwest side of building 11. (See attached map)

3. Registration and Identification Badge

Numbered badges will be issued to candidates by WREB following candidate orientation and will serve as an I.D. throughout the examination. The badge must be worn at all times while in the building.

Digital x-rays only are used at the dental school.

4. ATM Machines

There are no ATM machines within the dental college. Mountain America Credit Union is located at the corner of 10600 S and River Front Parkway.

5. Food Service

There are vending machines located on the first floor of the dental school that serve snacks and beverages. There are several restaurants within a mile of the college.

PATIENT SCREENING AND RADIOGRAPHS

1. Roseman University cannot provide patients for candidates.

Candidates should not ask the school for patients or patient records. Candidates may make arrangements to use the dental school Specialty Clinic area to screen their own patients, including use of radiology facilities. It is recommended that candidates have radiographs taken before arriving at Roseman if possible; however, screenings can be performed at the school. Please call Vicki Drent at 801.878.1257 to make arrangements for the use of school facilities.

2. Radiographs

Submission of X-rays:

- 1.) Candidates may submit printed copies of digital radiographs per WREB guidelines as stated under "Printed Digital Images" in the Dental Exam Candidate Guide.
- 2.) Candidates may submit digital radiographs using equipment and information systems that conform to the DICOM Standard. Electronic transmission of digital radiographic images are considered secure and authentic if they are transmitted to the school via e-mail in DiCOM format from a known faculty or staff of an accredited dental school.
- 3.) You may mail a CD/DVD but it must be in a secure DiCOM format and only if the sender is known from an accredited school before February 17, 2020 to be uploaded and identifiable by candidate number to comply with HIPPA; do not send any patient identifiable health information.
- 4.) Please send CD/DVD by a delivery method that will allow confirmation of receipt to Roseman University for Health Sciences, College of Dental Medicine, 10894 S River Front Parkway, South Jordan, UT 84095, Attention: Vicki Drent
- 5.) Only candidates attending Roseman will be able to participate in provisional acceptance of X-rays.
- 6.) Digital x-rays only are used at the dental school.

7.) Candidates may make arrangements to use the dental school to screen their own patients, including use of radiology facilities. It is recommended that candidates have radiographs taken before arriving at Roseman; however, screenings can be performed at the school with advance arrangements. Please call Vicki Drent at 801.878.1257 to make arrangements for the use of school facilities.

Days Available: February 24-28, 2020

Time of Day Available: 9:00 am – 4:00 pm

8.) "PATIENT BROKERING, I.E. THE SELLING OF PATIENTS, WILL NOT BE TOLERATED UNDER ANY CIRCUMSTANCES WITHIN THE COLLEGE OF DENTAL MEDICINE AND/OR ON THE PREMISES. VIOLATION OF THIS RULE WILL RESULT IN IMMEDIATE REMOVAL FROM THE CAMPUS OF THE UNIVERSITY."

PREPARING FOR THE EXAM

1. Cubicles (Operatories)

Each candidate will be assigned a numbered cubicle in the clinic by the WREB which will correspond to the applicants numbered ID badge issued at orientation. Each cubicle is equipped with (1) dental chair (Adec), (2) delivery unit (Adec) and (3) operator's and assistant's stools. Any equipment malfunctions should be reported to either the dispensary window or the maintenance department 801.878.1423. All units are adaptable for either right or left hand.

Candidates will be allowed to move in to assigned cubicles at a time to be determined by the WREB.

Please note: cabinets in cubicles are available for storage. However, clinics are secured before and after exam hours. Do not leave valuables and instruments in clinic.

2. Equipment, Instruments and Materials

Items supplied by the school are listed in the appendix at the end of this handbook. Any equipment or supplies on loan or rental to candidates must be returned prior to check-out.

a. Rental Fees

Candidates may rent hand instruments (cassettes) for \$200.00. Bien Air handpieces can be rented for \$250, (\$450.00 for cassettes and handpieces). A credit card account number will need to be given to cover the cost for any damaged or loss of instruments and/or equipment. The credit card information will be destroyed at the end of the exam when all rentals are accounted for.

Rentals are done just prior to the exam by contacting Lynn Tyler 801.878.1426. Arrangements for rentals should be accomplished by February 28, 2020. If you have questions, call Vicki Drent 801.878.1257. Roseman is unable to rent cavitrons (ultrasonic scalers). Please make arrangements to bring your own. The college does not rent the Modupro Endo typodont and sextants. You will need to purchase this before arriving at the college. (See ordering instructions below, section 2-d.)

b. Handpieces

All A-Dec dental chairs are equipped with one six hole connector and hose for air driven handpieces and one connector for Bien Air electric handpieces. Bien Air handpieces will be the only handpiece available for rentals. No other handpieces and couplers will be provided.

Please be sure you have and/or rent the appropriate handpieces. Bien Air electric handpieces are the only electric handpieces that are compatible with our units.

c. Ultrasonic Scalers

All dental units have quick-connect water sources. The names of some scaler units adaptable to the school's quick connector are:

Most Dentsply and Parkell cavitrons

d. ModuPro for Endodontics Exam

The WREB endodontics examination will use the ModuPro Endo model #MP_E120_PC. Make certain you are getting the typodont with the magnetic plates so that it will attach to the simulator heads. You will need to order this item and bring it with you since the college does not have any to rent.

You will also need the entire kit which includes the typodont, individual sextants, fixing gel and apex putty. You may order these directly from Acadental at www.acadental.com. Roseman does not use shrouds on the manikin. Please refer to the *2020 Dental Candidate Guide* for further information.

e. ModuPro for Prosthodontics Exam

The WREB prosthodontics examination will use the ModuPro One model #MP_R320. Make certain you are getting the typodont with the magnetic plates so that it will attach to the simulator heads. You will need to order this item and bring it with you since the college does not have any to rent. You will also need the mandibular ModuPro One arch. You may order these directly from Acadental at www.acadental.com. Roseman does not use shrouds on the manikin. Please refer to the *2020 Dental Candidate Guide* for further information.

f. School Store - Roseman does not have a school store.

3. Sterilization

Instruments that belong to you should be properly cleaned, dried, bagged and marked with appropriate candidate I.D. # and name and then turned in at the 4th floor clinical dispensary for steam sterilization. Sterilization time is a minimum of 3 hours.

Instruments that are rented from the school should be properly cleaned of cement/debris and turned in at the 4th floor clinical dispensary hallway.

Sterilization services are available between 6:30 A.M. and 5:30 P.M. As stated above, there is a minimum turnaround time of 3 hours.

DURING THE BOARD

1. Infection Control

a. Surface Asepsis

- Handles of the unit light, x-ray heads, light cure units and air-water syringes must be covered with plastic barriers (provided).
- The dental unit and counter tops should be disinfected with Maxi wipes (provided).
- The patient chair should be covered with plastic bags (provided). Do not use Maxicide or Maxi wipes on the patient chair.
- Non-latex gloves are available at each unit.

b. Personal Protective Equipment

- Appropriate clothing is required (Scrubs, no open toed shoes)
- Disposable gowns, gloves, masks are provided and located in the clinic.
- Candidates are to provide their own OSHA-acceptable protective glasses for themselves and their assistant. The school will provide protective glasses for patients on a "loan" basis.
- Antiseptic soap is available at sinks of each operatory of clinic.

c. Hazardous Waste

Any blood/saliva-soaked waste is considered hazardous and must be disposed of in biohazard bags and biohazard trash receptacles located throughout clinic.

Biohazard bags may be attached to the sides of the bracket tray. At the end of each session, bags should be sealed with tape and placed in biohazard waste containers (red) which are located throughout the clinic.

d. Sharps Disposal

All needles, anesthetic cartridges, blades and any other potential sharps are to be placed in the red plastic sharps containers, located in each cubicle.

2. Medical Emergencies

In order to notify emergency personnel to a medical emergency and to not alarm other patients, the following protocol must be followed upon discovering a serious medical emergency:

- a. The patient will remain in the care of the candidate or person discovering the problem. The patient must not be left alone. The assistant or responsible person will report to the nearest Floor Examiner to report a problem.
- b. The Floor Examiner will make a judgment as to whether a "coded" emergency exists.
- c. The assistant will be sent to the dispensary for emergency kit and a request that the dispensary place an immediate call for emergency personnel.
- d. Additionally, emergency carts and oxygen are located on the outside wall of each clinic area.
 1. If a "coded" emergency has been declared, dispensary personnel will immediately place calls to 911.
 2. There is no MD on staff.
- e. In all possible emergencies:
 - Place the patient in a supine position, if unconscious
 - Assess consciousness and responsiveness
 - Check airway, assist respiration if indicated
 - Check pulse; be prepared to perform CPR if indicated.
- f. The examiner will have access to the school's automatic external defibrillator (AED) and provide appropriate action according to the American Heart Association (AHA) standards until emergency responders arrive.
- g. All other emergencies should call Security at 801.664.2242
