

WREB Registration Restorative Faculty Hands-on Workshop

Selection	Date	Hands-on Workshop Location	Time
	Sat., Oct 28, 2017	Lake Washington Institute of Tech., Kirkland, WA (RES)	12:30pm - 3:30pm
	Sun., Oct 29, 2017	Eastern Washington Univ., Spokane, WA (RES)	12:30pm - 3:30pm
	Sat., Jan 20, 2018	OIT @ Chemeketa CC, Salem, OR (RES)	12:30pm - 3:30pm
	Sat., Mar 3, 2018	Dixie State Univ., St. George, UT (RES)	1:00pm - 4:00pm
	Sat., Mar 31, 2018	Idaho State University, Pocatello, ID (RES)	1:00pm - 4:00pm

The purpose of the workshop is to spend more time discussing the WREB restorative criteria and standardizing educators. This can be accomplished more efficiently when educators are actively involved in the standardization and grading process and there is sufficient time afterward for discussion and questions.

The workshop is only open to restorative educators whose students will be taking the 2018 WREB Restorative examination. Each educator attending the workshop must bring with them:

- Acidental ModuPro One typodont
- The typodont must have three or four WREB Class II finished preparations (placed in the typodont). We would like a variety of maxillary and mandibular composite and amalgam restorations.
- Same instruments used by WREB Examiners in the grading process (see 2017 WREB Restorative Candidate Guide for a list of instruments).

Please complete and return this form to my attention no later than October 15 for the Oct-Nov workshops and by November 15 for the later workshops.
