Texas A&M College of Dentistry
Welcome to the Texas A&M College of Dentistry.

This handbook has been prepared to assist dental candidates for the WREB exam, in hopes that it will make your time with us as smooth as possible. If you need additional information after reading this handbook, please email your questions to ahickman@tamu.edu

COLLEGE OF DENTISTRY FACILITY AND SERVICES

1. Building and Access Hours

Operative exam, Perio Exam, and Radiology is located at 3000 Gaston Avenue, Clinic Building, Dallas Texas, 75226. This is on the corner of CBD-Fair Park Link and Gaston Ave. The building will be open from 6:00 a.m. to 6:00 p.m. during the WREB, unless otherwise requested by the examiners.

Endodontic exam, Prosthodontic exam, Orientation and School tour is located at 3302 Gaston Ave., Main Building, Dallas, Texas 75246. This is on the corner of Hall and Gaston Ave. The building will be open from 6:00 a.m. to 6:00 p.m. during the Western Regional Board Examination, unless otherwise requested by the examiners.

2. Parking

The clinic building has a parking garage on the first, second and third floors; there is a fee for parking. Overflow lots are also available. You can park in the garage next to Home2Suites by Hilton on Gaston Ave. across from the dental school main building, 3302 Gaston Ave. In addition, there is public parking on Hall Street near both buildings. You must be certain to pay as soon as you park. The owners of the private lots will put a boot on your vehicle and then charge you $130 plus tax to remove the boot. So please be prepared to pay for parking. There are also pay as you park hospital lots within walking distance from the dental school.

3. Registration and Identification Badges

Numbered badges will be issued to candidates by WREB during candidate orientation and will serve as an I.D. throughout the examination. The badge must be worn at all times while in the building.

You will also need a badge and computer access for our axium software, which will be used for the endo portion of the exam or if you are screening patients. If you are an outside candidate, you should plan to be here at least two of days earlier than the exam. Please come by room 404 on Wednesday or Thursday to pick up your badge and to make sure you are able to log into our computer. If you are an outside candidate, please email me at ahickman@tamu.edu no later than March 25, so I can send you our Data use and confidentiality agreement. Our IT Department needs this to set you up in our computer system for WREB.
4. ATM Machines
There are no ATM’s located in the Main building or the Clinic building of the dental schools. ATM machines are located at Baylor Scott and White Hospital.

5. Food Service
There are vending machines located in the basement of the dental school main building. Baylor Hospital, adjacent to the dental college main building, 3302 Gaston Ave, has a full service cafeteria in the basement of the hospital that is open from 6:30 a.m. until 8:30 p.m. There are a few restaurants across the street from the dental schools main building.

6. Security
Access campus security by calling 214-828-8335 or the Dallas Emergency Management at 911.

PREPARING FOR THE EXAM

1. Patient Screening
College of Dentistry cannot provide patients for candidates. Candidates should not ask the school for patients or patient records. All candidates may use the dental school to screen patients, including use of radiology facilities. It is recommended that candidates have radiographs taken before arriving at Texas A&M College of Dentistry if possible; however, screenings can be performed in the Clinic Building, 3000 Gaston Ave. Come to room 404, in the Clinic Building, for help.

“PATIENT BROKERING, I.E. THE SELLING OF PATIENTS, WILL NOT BE TOLERATED UNDER ANY CIRCUMSTANCES WITHIN THE COLLEGE OF DENTISTRY AND/OR ON THE PREMISES. VIOLATION OF THIS RULE WILL RESULT IN IMMEDIATE REMOVAL FROM THE CAMPUS.”
2. **Radiographs**

Radiology is located on the 5th floor. Any radiographs obtained on a potential patient require the authorization of a faculty member assigned to the area. **ALL SCHOOL RADIOLOGY IS DIGITAL and can be printed out for you. There is a usage fee of $30 per patient for them to be printed.** If you would like to use the digital radiographs, you will need to come to room 404 prior to going to Radiology. Radiology will be available during the same hours as screening and also during the Board exam. Screening and radiology will be permitted between the hours of 10:00 a.m. until Noon and from 1:00 p.m. until 3:30 p.m. from Monday, April 20th through Friday, April 24th. Candidates using the Radiology Clinic/all clinics are required to follow the infection control policy Texas A & M College of Dentistry and to wear proper clinic attire. Use of cubicles for taking radiographs must be scheduled by a Radiology staff member and will be on a space available basis.

You may submit digital radiographs using equipment and information systems that conform to the DICOM Standard. Electronic transmission of digital radiographic images will be considered secure and authentic if they are transmitted and received by Dr. Stephen Griffin, never leaving the DICOM secure format. Please email Dr. Griffin at sjgriffin@tamu.edu.

**Provisional Acceptance:**

Provisional acceptance, for the Operative Section only, will be available for submission of radiographs during the window of **March 27 – April 07, 2020.** Provisional acceptance means your patient is radiographically accepted by calibrated WREB Grading Examiners prior to the exam. If provisionally accepted, all you will need is clinical confirmation by a Floor Examiner at the exam. Preoperative radiographs for up to two (2) operative procedures will be submitted as outlined in the WREB Candidate Guide.

Radiographs will be uploaded to WREB’s secure website by a designated Texas A&M staff member. Uploads can only be done by the designated staff member(s) during the assigned window. It is your responsibility to make an appointment with your school for submission within the window, and to verify that the information submitted is correct. Once the window has closed, no additional radiographs will be accepted. If you do not submit during the window, you will submit your patient(s) in the traditional manner at the clinical exam site.

You will be notified of results approximately within one (1) week after the submission window closes.

**NOTE: OUTSIDE CANDIDATES may submit their radiographs for provisional acceptance.** You may submit digital radiographs using equipment and information systems that conform to the DICOM Standard. Electronic transmission of digital radiographic images will be considered secure and authentic if they are transmitted and received by Dr. Stephen Griffin, never leaving the DICOM secure format. Please email Dr. Griffin at sjgriffin@tamu.edu.
3. **Dental Operatory Units**

Each candidate will be assigned a numbered operatory in the clinic by the WREB which will correspond to the applicants numbered I.D. badge issued at orientation. Each operatory unit is equipped with (1) dental chair (ADEC), (1) delivery unit (ADEC), (1) operator stool, and (1) assistant stool. Any equipment malfunctions need to be reported to the dispensary window. Candidates will be allowed to move in to assigned operatory units at a time to be determined by WREB. Please note: cabinets in cubicles are not available for storage.

4. **Equipment and Instruments**

Items supplied by the school are listed in the supplements at the end of this handbook. Any equipment or supplies on loan/rental to candidates must be returned prior to check-out. If you are not a student at Texas A & M College of Dentistry, you will need to email Angela Hickman at ahickman@tamu.edu by March 25. I will email you a data and security agreement form and a rental agreement form to fill out, sign and email back to me.

   a. **Rental Fees**

   Cassette handpieces
   - $277.16 non-refundable fee + (8.25% tax) 22.86 = $300.00.
   ADEC handpieces
   - $184.76 non-refundable fee + (8.25% tax) 15.24 = $200.00.
   Cassette and handpieces
   - $461.89 non-refundable fee + (8.25% tax) 38.11 tax = $500.00.

   **You must email Angela Hickman at ahickman@tamu.edu for a form to fill out.** You will then be required to mail the form with a check in the required amount for rental. Make checks payable to Texas A & M College of Dentistry. **Payment should be received by April 1, 2020.**

   Before you can check out your rental instruments from the dispensary, you will need to **pay a deposit of $1,500.00 by credit card in room 404** on Thursday, April 23, 2020. We accept Visa, MasterCard, Discover and American Express. At the end of the exam and after your rental is accounted for, you will need to come to room 404 to receive your refund back to your credit card.

   b. **Hand pieces**

   All A-Dec dental chairs use:

   BienAir electric hand piece motors
   - RQ-24 couplers (six hole) for W&H high speed hand pieces.
   - RQ-04 Roto-Quick couplers (four hole) for W&H slow speed hand pieces.
   - Couplers are provided with rental of handpiece.
No adaptors are available for any other hand pieces. Handpieces are available for rental to candidates (see a. above). Please be sure you have and/or rent the required handpieces (Bien Air for electric, W&H for air turbine are the only types that will fit).

c. Ultrasonic Scalers

All dental units have quick-connect water sources for use with ultrasonic scalers.

d. Blood Pressure Cuffs and Stethoscopes

Blood pressure cuffs and stethoscopes are at each dental operatory.

e. ModuPro for Endodontics Exam

The WREB endodontics examination will use the ModuPro Endo model #MP E120 MQR. Make certain you are getting the typodont with the magnetic plates so that it will attach to the simulator heads. You will need to order this item and bring it with you since the college does not have any to rent. You will also need the entire kit which includes the typodont, individual sextants, fixing gel and apex putty. You may order these direct from Acadental at www.acadental.com. The College of Dentistry does not use shrouds on the manikin. The endodontics exam will be administered in the Simulation Lab, Room 4 in the basement.

f. ModuPro for Prosthodontic Exam

The WREB prosthodontics examination will use the ModuPro ONE. Make certain you are getting the typodont with the magnetic plates so that it will attach to the simulator heads. You will need to order this item and bring it with you since the college does not have any to rent. This item is also available direct from Acadental at www.acadental.com. The College of Dentistry does not use shrouds on the manikin. The prosthodontics exam will be administered in the Simulation Lab, Room 4 in the basement.

g. School Store

The College of Dentistry does not have a school store. Please plan ahead to bring all items you might need in addition to those supplied by the school.

Texas A&M College of Dentistry
5. **Sterilization**

Instruments that belong to you should be properly cleaned, dried, bagged and marked with appropriate candidate I.D. # and name. Turned into central sterilization, room 547. Sterilization time is a minimum of 3 hours. You can pick up your instruments from central sterilization, room 543.

Instruments rented from the school, should be properly cleaned of cement/debris, dried, bagged and marked with candidate I.D. #, name, and rented. Turned into Central Sterilization, room 547.

Sterilization services are available between 8:00 a.m. and 5:00 p.m. As stated above, there is a minimum turnaround time of 3 hours for personally owned items.
During the Board

1. Infection Control
   a. Surface Asepsis
      • Handles of the unit light, x-ray heads, light cure units and air-water syringes must be covered with clear plastic bags (provided).
      • The dental unit and counter tops should be disinfected with Cavicide.
      • The patient chair should be covered with plastic bags (provided). **Do not use Cavicide on the patient chair.**
      • Disposable plastic over-gloves are available at each unit.
   b. Personal Protective Equipment
      • Appropriate clothing is required (Scrubs, no open toed shoes)
      • Disposable gowns, gloves, masks are provided and located in the clinic.
      • Candidates are to provide their own OSHA-acceptable protective glasses. The school will provide protective glasses for patients on a “loan” basis.
      • Antiseptic soap is available at sinks in clinic.
   c. Hazardous Waste
      Any blood/saliva-soaked waste is considered hazardous and must be disposed of in biohazard bags and biohazard trash receptacles located throughout clinic. Biohazard bags may be attached to the sides of the bracket tray. At the end of each session, bags should be sealed with tape and placed in biohazard waste containers (red) which are located throughout the clinic.
   d. Sharps Disposal
      All needles, anesthetic cartridges, blades and any other potential sharps are to be placed in the red plastic sharps containers located in the clinic.
2. Medical Emergencies

In order to alert emergency personnel to a medical emergency and not unduly alarm the patient population, the following protocol must be followed upon discovering a serious medical emergency:

The examiner will have access to the school’s automatic external defibrillator (AED) and provide appropriate action according to the American Heart Association (AHA) standards until emergency responders arrive.

a. The patient will remain in the care of the candidate or person discovering the problem. The patient must not be left alone. The assistant or responsible person will be sent to report the problem to the Floor Examiner.

b. The Floor Examiner will make a judgment as to whether a “coded” emergency exists.

1. The assistant will be sent to the dispensary for emergency kit and a request that the dispensary place an immediate call for emergency personnel. If a “coded” emergency has been declared, dispensary personnel will immediately call 911.

c. In all possible emergencies:

- Place the patient in a supine position, if unconscious
- Assess consciousness and responsiveness
- Check airway, assist respiration if indicated
- Check pulse; be prepared to perform CPR if indicated.

d. The examiner assumes responsibility for resuscitative procedure and the administration of emergency drugs until relieved by other personnel.
