WREB is the only valid source for official examination information. Understanding exam criteria and protocols will further aid Candidates in successful completion of examination procedures.

- **Candidate Profile.** Communications from WREB are displayed in the **My Exams** section of your Candidate Profile (e.g. examination schedule, authorization letter, official results, etc.) at wreb.org (log in required).

- **Name.** Registration name must match the first name, middle initial and last name (ex. Jan S. Doe) that appears on your primary identification (ID). Supporting documentation (e.g. marriage certificate, divorce decree or court order) required for name change, if applicable.

- **Changes of Contact Information** (e.g. mailing address, email address, phone, name) must be submitted to hygieneinfo@wreb.org.

- **Email.** To ensure receipt of all exam-related notifications from WREB (e.g. schedule posting), please add the following to your e-mail contacts: hygieneinfo@wreb.org

- **Candidate Guide.** Detailed explanation of exam criteria, protocols, forms, required materials, and references. [Webpage: Exam Preparation]

- **Local Anesthesia Written Exam, if applicable.** Notified via email once **Authorization Letter** is posted to your online profile. Refer to [WREB Local Anesthesia Candidate Guide](#) for more information. [Webpage: Exam Preparation]

- **Scheduling Requests.** Refer to the **Scheduling Requests** section of the Candidate Guide for more information. Requests for scheduling on a specific Clinical examination day, sharing a Hygiene patient, or using a fellow candidate as an Anesthesia patient. Submitted during registration or via email to hygieneinfo@wreb.org by no later than the Application Deadline for consideration. See [Hygiene Exam Schedule](#) page of WREB website for deadline dates.

- **Qualification.** As a reminder, proof of qualification is required to attempt any WREB exam. Refer to Candidate **Responsibility Policy** and **Proof of Qualification** sections of [Policies & Procedures - Application Process](#) page of WREB website for more information.

- **Examination Schedules.** Clinical examination schedules are generally posted to your online profile 3-4 weeks prior to the first scheduled day of the exam. Candidates notified via email once posted.

- **Exam Site Information.** Packet includes important site-specific information such as infection control, emergency procedures, supplies provided, handpiece compatibility, rental equipment, and much more for each exam site host school. [Webpage: Exam Site Information]

- **Exam Forms.** Download copies of these forms for patient screening. Original forms are provided at the exam site. [Webpage: Exam Preparation]

- **Clinical Examination Review (videos).** Information regarding Clinical exam Check-In and Check-Out processes, form completion and more. [Webpage: Exam Preparation]
• **Policies and Procedures.** General information regarding examination policies, special testing accommodations, cancellation procedures, refund policy, and more. **Webpage:** [Policies & Procedures](#)

• **FAQs.** Answers to many commonly asked questions pertaining to examination procedures, results posting, and more. **Webpage:** [FAQs](#)

• **Technical Questions?** Email us at [hygieneinfo@wreb.org](mailto:hygieneinfo@wreb.org)
