WREB has arranged a hold on a limited number of hotel rooms. Please RSVP at the link below and indicate if you would like to be included on WREB's rooming list by **October 12**. Rooms always sell out on this weekend, so we recommend submitting your RSVP as soon as possible. WREB will reserve the rooms and pay for one room night per exam host school. If you need additional nights, note this on your RSVP and they will be reserved on your behalf, but WREB will not put them on the Master account at the hotel. The room rate is \$164.00 plus \$16.95 hospitality fee and 14.07% tax. Attendees are responsible for flight arrangements and transportation to and from the airport.
