**Site Location:**

Cabrillo College Dental Hygiene Clinic

HW2114

6500 Soquel Drive

Aptos, CA 95003

**Contact Information:**

Please contact Elicia Hammond at [elhammon@cabrillo.edu](mailto:elhammon@cabrillo.edu). Responses by phone are limited. Please do not call the college, clinic or other program staff/personnel for information. It is best to use the above email address.

**Candidate Information:**

**Patient Screening:**

The facility will not be available to screen patients.

**Handpiece and Prophy Angle Hook-Ups:**

The facility is equipped with ADEC chairs & delivery units with standard connections. For slow speed handpieces, there is a 4-hole pattern connection. No equipment is available for rental.

**Disposable Air/Water syringe tips:**

Cabrillo uses disposable air/water syringe tips, which will be provided.

**Sonic/Ultrasonic Devices:**

All operatories are equipped with water and power connections for ultrasonic scaling devices with a universal water connection. A Satelec piezo ultrasonic connection is also available. No equipment is available for rental. **Candidates are expected to provide their own instruments and ultrasonic scaling devices.**

**X-Rays:**

Candidates are to come prepared with radiographs for their patients. Digital radiographs and all copies should be printed prior to the exam. Dexis digital sensors will be available to the candidates to expose X-rays and print at the exam site, during exam hours. Panoramic radiographs will not be available. Duplication services of traditional radiographs will not be available. Payment is cash only, please have correct change.

Cost of radiographs:

\$80.00 Full Mouth Series

\$20.00 Each Periapical

**Sterilization:**

Candidates should arrive with all instruments sterilized. Steam sterilization is available for syringes and cotton forceps only after the local anesthesia exam. They must be placed in a sterilization bag and labeled using a permanent marker with the candidate's full name and cell phone number. This is to allow syringes used for the local anesthesia exam to be sterilized for use during the dental hygiene clinical exam. The sterilized syringes will be in the lobby for pick up on the next day.

***Cabrillo College assumes no responsibility for instruments or personal effects that are lost, broken, stolen, damaged, or not retrieved within 2 days after the closing of the examination.***

**Infection Control-Standard Precautions:**

Universal Precautions and Standard Personal Protective Equipment (PPE) are required. This includes the use of a lab coat, gloves, masks, and protective eyewear with side protection. A face shield must be worn during ultrasonic instrumentation. Cabrillo College Dental Hygiene does not provide protective eyewear, face shields, lab coats or gowns for the candidates or patients. Sharps containers are located in every operatory and must be used for all sharps disposal. Red biohazard bags will be available for hazardous waste disposal. PD Wipes are used for disinfecting the operatory. Plastic barriers are used on all surfaces that may become contaminated.

During the tour, the school coordinator will give a demonstration regarding set up and break down of operatories.

Candidates are to provide their own barriers for their personal ultrasonic scaling device and handle.

**Emergency Equipment:**

There are 2 portable oxygen tanks, an AED and a Medical Emergency Kit in the clinic. Refer to the location of these devices on clinic map. The location of these devices will also be included in the tour. An Emergency Procedure Binder and a land line to dial 911 are located at the main instructor station in the clinic.

**Parking:**

Daily use parking fees are required in all campus parking lots. Kiosks are located at each parking lot for payment. Parking rules are strictly enforced on campus. Parking Lot P is the lot closest to the clinic.

**Security:**

Security needs are met by the County of Santa Cruz Sheriff's Department. 24-hour non-emergency telephone number is 831-688-1117. Call 911 for an emergency.

**Food and Beverages:**

Depending on the dates of the exam, Cabrillo College may not have food, beverage, or cafeteria services for candidates or their patients. Candidates should inform their patients to eat before coming to the exam or candidates may choose to bring food for their patients. On site refrigeration will not be available. There are vending machines on campus. Food and drink are not allowed in any areas near the candidate clinics or check-in desk during the examination.

**Language Translation:**

Translation services for candidates and patients are not provided by Cabrillo College Dental Hygiene. Candidates who wish to bring a translator (for languages other than English) must provide all accommodations required. All translators must check in with the WREB Site Coordinator and School Coordinator upon arrival and will only be allowed into the clinical area when their services are required. Candidate translators must abide by all applicable candidate rules and safety requirements.

**General Campus Information:**

Cabrillo College is a smoke free campus. "Smoking" is defined as the use of products which produce smoke or vapor emissions, including electronic cigarettes. Animals are not allowed on campus or in the dental hygiene facility with the exception of registered service animals. Appropriate documentation will be required.
