## Welcome to the Texas A&M College of Dentistry.

This handbook has been prepared to assist dental hygiene candidates for the Western Regional Examination Board Exam, in hopes that it will make your time with us as smooth as possible. If additional information is needed after reading this handbook, please email your questions to [ahickman@tamhsc.edu](mailto:ahickman@tamhsc.edu)

### COLLEGE OF DENTISTRY FACILITY AND SERVICES

#### 1. Building and Access Hours

We are located at 3302 Gaston Avenue, Dallas Texas, 75246 next to Baylor University Medical Hospital.

The building will be open from 6:00 a.m. to 6:00 p.m. during the Western Regional Board Examination, unless otherwise requested by the examiners.

#### 2. Parking

If you are not staying at the Home2 Suite by Hilton, you can park in the garage next to Home2Suites by Hilton on Gaston Ave. across from the dental school. It is \$5.00 every time you go in and out of the garage. Also, there is public parking on Hall Street across from the dental school, it is \$7.00 every time you go in and out of the lot. You must be certain to pay as soon as you park. **The owners of the lots will put a boot on your vehicle and then charge you \$130 plus tax to remove the boot.** So please be prepared to pay for parking. There are also pay as you park hospital lots within walking distance from the dental school.

#### 3. Registration and Identification Badges

Numbered badges will be issued to candidates by WREB during the candidate Q&A Session and will serve as an I.D. throughout the examination. The badge must be worn at all times while in the building. Badges must be turned in at the completion of the examination as part of the check-out procedure with the Western Regional Examining Board.

#### 4. ATM Machines

ATM machines are located at Baylor Hospital. There are none in the dental school.

#### 5. Food Service

There are vending machines located in the basement of the dental school. Baylor Hospital has a full service cafeteria in the basement of the hospital that is open from 6:30 a.m. until 8:30 p.m. There are a few restaurants across the street from the College.

## 6. Security

Access campus security by calling 214-828-8335 or the Dallas Emergency Management at 911.

## **PREPARING FOR THE EXAM**

### 1. **Patient Screening**

College of Dentistry **cannot** provide patients for candidates. Candidates should not ask the school for patients or patient records. All candidates may use the dental school to screen patients, including use of radiology facilities. It is recommended that candidates have radiographs taken before arriving at Texas A & M College of Dentistry if possible; however, screenings can be performed in the school's Oral Diagnosis clinic on the first floor. Come to room 101 for help.

### 2. **Radiographs**

Any radiographs obtained on a potential patient require the authorization of a faculty member assigned to the area. *ALL SCHOOL RADIOLOGY IS DIGITAL and can be printed out for you. There is a usage fee of \$30 per patient for them to be printed.* If you would like to use the digital radiographs, you will need to come to room 101 prior to going to Radiology. Radiology will be available during the same hours as screening and also during the Board exam. Screening and radiology will be permitted between the hours of 10:00 a.m. until Noon and from 1:00 p.m. until 3:30 p.m. from Monday, April 22nd through Friday, April 26th. Candidates using the Radiology Clinic/all clinics are required to follow the infection control policy Texas A & M College of Dentistry and to wear proper clinic attire. Use of cubicles for taking radiographs must be scheduled by a Radiology staff member and will be on a space available basis.

### 3. **Administering of Anesthetic**

Licensed faculty will be available to administer local anesthetic to your patients. There is no charge to the candidate for this service. Since there may be a shortage of anesthetic syringes, please bring your own if you have access to one.

### 4. **Dental Operatory Units**

Each candidate will be assigned a numbered operatory in the clinic by the WREB which will correspond to the applicants numbered I.D. badge issued at the Q&A Session. Each operatory unit is equipped with (1) dental chair (Adec), (1) delivery unit (Adec) and (1) operator's stool. Any equipment malfunctions should be reported to either the dispensary window or the maintenance department (extension 8250). Candidates will be

allowed to move in to assigned operatory units at a time to be determined by WREB. Please note: cabinets in cubicles are not available for storage.

## 5. Equipment, Instruments and Materials

Items supplied by the school are listed in the supplements at the end of this handbook. Any equipment or supplies on loan/rental to candidates must be returned prior to checkout.

### a. Rental Fees

Cavitron SPS, 30kHz (*includes Cavitron #10 30K FSI – 10, straight ultrasonic tip*)

**\$50.00 non-refundable fee + 8.25% tax (\$4.13) = \$54.13**

Cavitron #10 30K FSI – 10, straight ultrasonic tip (*renting alone, does not include cavitron*)

**\$20.00 non-refundable fee + 8.25% tax (\$1.65) = \$21.65**

**You must call Pam at 214-828-8340 for a form to fill out.**

**You will then be required to mail in a money order. Payment must be received by April 12<sup>th</sup>, 2019.**

### b. Hand pieces

All A-Dec dental chairs are equipped to use with:

RQ-24 couplers (six hole) for W&H high speed hand pieces

RQ-04 Roto-Quick couplers (four hole) for W&H slow speed Hand pieces.

### c. Ultrasonic Scalers

All dental units have quick-connect water sources. The names of some scaler units adaptable to the school's quick connector are:

Dentsply SPS and/or most Dentsply cavitrans

This clip opens and fastens over this connector.

### d. Blood Pressure Cuffs and Stethoscopes

Blood pressure cuffs and stethoscopes are **NOT** available for Candidate use. Please bring your own.

## 6. Sterilization

Instruments that belong to you should be properly cleaned, dried, bagged and marked with appropriate candidate I.D. # and then turned in at the clinical dispensary for steam sterilization. Sterilization time is a minimum of 3 hours.

Sterilization services are available between 8:00 a.m. and 5:00 p.m. As stated above, there is a minimum turnaround time of 3 hours for personally owned items.

## During the Board

### 1. Infection Control

#### a. Surface Asepsis

- Handles of the unit light, x-ray heads, light cure units and air-water syringes must be covered with clear plastic bags (provided).
- The dental unit and counter tops should be disinfected with Cavicide.
- The patient chair should be covered with plastic bags (provided). **Do not use Cavicide on the patient chair.**
- Disposable plastic over-gloves are available at each unit.

#### b. Personal Protective Equipment

- Appropriate clothing is required (Scrubs, no open toed shoes)
- Disposable gowns, gloves, masks are provided and located in the clinic.
- Candidates are to provide their own OSHA-acceptable protective glasses. The school will provide protective glasses for patients on a “loan” basis.
- Antiseptic soap is available at sinks in clinic.

#### c. Hazardous Waste

Any blood/saliva-soaked waste is considered hazardous and must be disposed of in biohazard bags and biohazard trash receptacles located throughout clinic. Biohazard bags may be attached to the sides of the bracket tray. At the end of each session, bags should be sealed with tape and placed in biohazard waste containers (red) which are located throughout the clinic.

#### d. Sharps Disposal

All needles, anesthetic cartridges, blades and any other potential sharps are to be placed in the red plastic sharps containers located under the counter of each cubicle.

## 2. Medical Emergencies

In order to alert emergency personnel to a medical emergency and not unduly alarm the patient population, the following protocol must be followed upon discovering a serious medical emergency:

- a. The patient will remain in the care of the candidate or person discovering the problem. The patient must not be left alone. A responsible person should be sent to report the problem to the Chief Examiner.
- b. The Chief Examiner will make a judgment as to whether a “coded” emergency exists.
- c. Send someone to the dispensary for the emergency kit and a request that the dispensary place an immediate call for emergency personnel.

If an emergency has been declared, dispensary personnel will immediately place calls to 911.

- d. In all possible emergencies:
  - Place the patient in a supine position, if unconscious
  - Assess consciousness and responsiveness
  - Check airway, assist respiration if indicated
  - Check pulse; be prepared to perform CPR if indicated.
- e. The examiner assumes responsibility for resuscitative procedure and the administration of emergency drugs until relieved by other personnel.

## **Travel and Housing Arrangements**

### **1. Airline and Airport Information**

Dallas is served by two airports: DFW International Airport and Love Field Airport. Depending on origination, candidates may find flights into both airports and should inquire when booking reservations.

### **2. Ground Transportation To/From Airports**

In non-rush hour periods, expect a minimum drive time of approximately 30 to 45 minutes from DFW airport and approximately 20 to 30 minutes from Love Field airport.

- a. Shuttle is available to and from both airports.
  - Super Shuttle – (800) 258-3826
- b. Taxi cab services are available to and from airports, hotels and dental school. Some of the taxi services are listed below:
  - Allied Taxi - 214-654-4444
  - Cowboy Cab - 214-428-0202
  - Yellow Cab – 214-426-6262
- c. Rental car services are available at both airports. Listed below are just a few available:

- Advantage Rent A Car – 800-777-5500
  - Avis Rent A Car – 972-574-4130
  - Enterprise Rent A Car – 972-586-1100
- d. Hertz Rent a Car – 972-453-4600
- e. Directions for Driving from Airports:
