 - For questions regarding the clinic and equipment, please contact the Program Director, Alissa Beckerle at 816-531-5223 x 422.
- **Parking:** Available for patients and candidates in the lot adjacent to the building.
- **Security and Emergency Services:** Non-emergency calls dial 8 for an outside line and then 816-604-1200. Emergency calls dial 8 and then 911.
- **ATM Machine:** Not available
- **Food Services Onsite:** Vending machines available in the student lounge on the 2nd floor of 3217 Broadway.

2. Preparing for the Exams

a. Hygiene Exam

- **Patient Screening:** By appointment only. Please contact the site coordinator.
- **Radiographs:** Digital radiography equipment is available for candidate use during the exam sessions only, unless previous arrangements have been made with the site coordinator. There is no charge to utilize the equipment. Two printed copies of radiographs is available at no charge.
- **Administration of Local Anesthetic:** candidates are to administer local anesthesia. No licensed practitioner will be available to administer local anesthesia
- **Equipment, Instruments and Expendable Dental Materials:** Refer to the respective WREB Candidate Guide for a list of materials and armamentarium that the Candidate must provide.
 - A. Handpiece and Prophy Angle Hookups:** Handpieces are not available to rent. Units accept 2 and 4 hole handpiece and prophy angle hookups.
 - B. Sonic/Ultrasonic Devices:** Each operatory is equipped with an ultrasonic unit that accepts 30K inserts. There are external hookups in each operatory for candidates bringing ultrasonic/piezo units.
 - C. Air/Water Syringe Tips:** Disposable air/water syringes are utilized and provided by the site.
 - D. Blood Pressure Cuffs and Stethoscopes are available on site.**
 - E. Expendable Materials:** Expendable dental materials supplied by the school are noted in **Appendix A**.
- **Sterilization Services:** Sterilization is available during exam sessions.
- **Equipment, Instruments and Expendable Dental Materials:** Refer to the respective WREB Candidate Guide for a list of materials and armamentarium that the Candidate must provide.

- A. Air/Water Syringe Tips:** Are syringe tips disposable or non-disposable? If non-disposable, indicate procedure for collection or sterilization. Are additional tips available for purchase?

3. During the Clinical Exam

- **Dental Operatory Units:** Pelton Crane dental chair, unit and provider stool.
- **Infection Control (Surface Asepsis):** Disinfectant wipes are provided for unit and countertop disinfection. All surfaces, except light lenses are to be wiped.

A. Hazardous Waste Disposal (exam-type specific):

- **Hygiene:** Blood/saliva soaked waste is to be placed in the provided biohazardous waste bags and disposed of in the biohazardous waste receptacle in the sterilization area.
- **Local Anesthesia:** All needles and local anesthetic cartridges are to be disposed of in sharps containers.

- B. Sharps Disposal:** Sharps containers are located by the sink in each operatory. All needles and carpules are to be disposed of in these containers.

- **Emergency Medical Equipment:** Oxygen and an emergency supply kit are located on or by the counter in the candidate examination area. Ice packs are located in the clinic supply closet. AED are located on the 1st and 4th floors, just outside of the stairwell. To place an emergency call from clinic phones, dial 8 for an outside line and then 911.

4. Travel and Lodging Information

- **Airport Information:** Kansas City International Airport
- **Ground Transportation:** Taxi or Uber
- **Hotel Accommodations:** Westin Crown Center, Fairfield Inn & Sheraton Suite
