2. Preparing for the Exams

- a. **Hygiene Exam**

- **Patient Screening:**

- Carrington College Dental Hygiene Department **cannot** provide patients for candidates. Candidates should not ask the school for patients or patients' records. Candidates may use the Dental Hygiene clinic to screen patients on a limited basis.
- Times will be determined as needed.
- Please call to schedule an appointment. All screenings and radiographs must be completed prior to the arrival of WREB examiners.
- **NO SCREENINGS ARE ALLOWED DURING THE WREB EXAM DATES**

- **Radiographs:**

- This site is a digital facility only. Sensors and XCP's will be made available as needed.
- Viewing boxes available upon request
- Candidates needing to use the Radiology clinic are required to follow Carrington College infection control policies and to wear proper clinic attire.
- Staff will be available to facilitate and answer questions about the equipment.
- The candidate will be responsible for exposing, scanning, and mounting their patient's images.

- **Administration of Local Anesthetic:**

- Practitioner(s) (meeting prescribed criteria as stated in the Candidate Guide) will be **AVAILABLE** during the exam to administer local anesthesia to all Candidate Patients. To be fair to all Candidates, the practitioner(s) will be available throughout every day of the exam.

▪ **Equipment, Instruments and Expendable Dental Materials:**

A. Handpiece and Prophy Angle Hookups: Each Unit is equipped with:

- a Pro 31 Front Delivery Unit.
- All units have a quick-connector water and air source
- Handpieces / Air motors are available for loan
- Candidates borrowing equipment will be required to submit a valid credit which will be returned to candidate upon return of equipment
- Please notify school representative at time of Q &A session of individual needs for equipment loan.

B. Sonic/Ultrasonic Devices:

- All units have:
 1. Dentsply (30K) Ultrasonic Cavitron with sleeve for candidate use
 2. quick-connector water and air source

C. Air/Water Syringe Tips:

- There are (2) oxygen tanks located outside of Bay A- B and Bay B-C
- During WREB examination an additional oxygen tank will be located in the Examiners' area- Bay D-E
- Pocket Ventilation masks are located in each of the (5) bays
- an Emergency Kit and Emergency Equipment is located on counter outside of Radiology area
- The Automatic External Defibrillator Units are located:
 - 1 is mounted to wall, located outside of sterilization
 - 1 is mounted to wall, in the hallway next to patient lavatory

4. Travel and Lodging Information

Airport Information: Mesa is served by two airports: Phoenix Sky Harbor and Mesa Gateway Airport. Phoenix Sky Harbor is approximately 10 miles from the dental hygiene facility and Mesa Gateway airport is 15 miles from the facility. Phoenix Sky Harbor is the larger airport and services most airlines with many flights a day.

Depending on origination, candidates may find flights into both airports and should inquire when booking reservations.

▪ **Ground Transportation:**

In non-rush hour periods, expect a minimum drive time of 15-20 minutes.

Candidates have many choices for ground transportation from Phoenix/Mesa airports, including but not limited to:

○ **Shuttle bus:**

From Sky Harbor: Super Shuttle: www.supershuttle.com or call 1-800-258-3826

From Mesa Gateway: www.supershuttle.com or call 1-800-258-3826.

○ **Taxi cab**

While several companies serve Phoenix, candidates may elect to use the following. Candidate should call ahead for approximate fares: The following cab company services both airports

AAA Yellow Cab www.yellowcabaz.com or call 480-888-8888

○ **Rental car**

Both airports are served by all major car rental companies. Those listed are some options:

Avis Rent-A-Car (888) 583-6369

Hertz Car Rental (877) 826-8782

National Car Rental (877) 222-9058

Thrifty Car Rental (800) 334-1705
