MAP to CAMPUS CHECK-IN/CHECK-OUT Location

ALL VISITORS/STUDENTS/STAFF MUST CHECK IN with the CAMPUS before proceeding further on campus.

Pima Community College COVID-19 Dental Clinic Protocols for 2020/2021

Day BEFORE Exam: Candidates must verbally screen their patients by using the attached questionnaire.

Campus **Check-In**/Campus **Check-Out**

7AM to 5PM, Monday through Sunday

EVERYONE must arrive to campus with a facemask and follow the 6 [six] feet social distancing standards while on campus.

TIMES: arrival and departure times will be need to be staggered by at least 5 minutes upon entering and leaving the clinic to support social distancing.

EVERYONE must check-in to the CAMPUS prior to coming to the clinic. Check-in is located in the C Building also known as the Santa Catalina Building. The C Building is basically right in the middle of the roundabout when you enter the campus from Anklam Road.

- Masks and gloves are **REQUIRED** to be on campus
- Gloves are available at **CAMPUS CHECK-IN**
- Temperature will be taken (<100.4°F) and a screening questionnaire will need to be completed prior to proceeding to the dental clinic.

Patients **MUST** be directed **BACK to CAMPUS CHECK-IN** location so that they can be **CHECKED-OUT**.

Escorts will be available to direct personnel, candidates and patients to the Dental Clinic, Building K, 2nd Floor, Room 259.

Everyone will leave with little ¼ paper (currently it is blue) that asks them to report to PCC if they experience symptoms or test positive for COVID-19 within 14 days post treatment.

Everyone must wear a mask while in the clinic, except patients during treatment. Complete hand hygiene as often as possible.

Operatory distancing: each student will be placed in an operatory that will allow for a minimum of 6 [six] feet to accommodate social distancing.

Use of ultrasonic powered instruments will be permitted. With the production of aerosols, it is required that the candidate wear at least a level 3 surgical mask and face shield while utilizing HVE [High Volume Evacuation]. It is recommended that the candidate wear an N95 mask and face shield while utilizing HVE [High Volume Evacuation].

PPE for Candidates: PCC will provide disposal full length gowns, disposable face shields and Level 3 masks. Candidates are allowed to bring their own N95 masks and face shields.

Welcome to Pima Community College (PCC) at the West Campus. Our dental clinic facilities are made available to the Western Regional Examining Board (WREB) as a testing site. The information in this handout will guide you through our facilities processes as well as our responsibilities as a testing site.
